1. Blessed are those that receive, blessed are those that give, **blessed are those that can receive, that open their hearts to receive; they receive, they receive Me in what I am doing this day and give, give, give out of their storehouse, their treasure, their heart, their heart, their heart that is Me that they have received in the secret place, in their closet, on their knees; yea, in times of darkness, in times of trouble and trial and tribulation; yea, in** the wee hours of the night, the morning; yea, seeking Me, believing Me, being Me, interceding with Me, interceding for others; yea, thank you, you who of I speak. I love you and I give you Me.

2. Blessed are you that receive, blessed are you that give, blessed are you that give and receive and receive and give and flow in My river that now never runs dry but only increases and increases; and so many are not ready for.

3. Thank you for preparing My people for My river, My river of darkness not, but light, light, light in My life and My life that is light, for My life is light and My light is life. Yea, I am Me.

4. See what I have said and take heart; no thought for tomorrow, but yea, all is provided; all is, they are ready, they are. Blessed are the receivers, the givers out of their heart flowing My words, My way of life, My fashion, My form; yea, My manner, My values, all that is Me, for all of Me they are, you are, and releasing Me increasingly into the knowledge of Me. Yea, thank you. I give you Me. All that there is is Mine. I am everything: all-in-all (1), and I am the source, the fount, the beginning and the end.

5. Drink of Me more freely; yea, more freely still; more freely, much, much more freely still; you, Ted, and My who wonder if this is for them, if this is for you; yea, as you wonder, drink of Me more freely and let Me learn, let Me learn at My knee and release Me, release all of you into Me so that I can release all of Me that is in you in you.

6. I love you and I give you Me. There are no holds, there is no barring, there is nothing that can withstand My love, My life; nothing that will now withstand Me. I love you; I give you Me. All comes into play, fashion and form of Me, crafted by Me; yea, My hand before time, before time was thought of, before time was manifested; yea, yielding to My thoughts. I love you, manifest Me, manifest My thoughts; yea, be Me and brigade be to banner forth My coming come, already is, happened already, increasingly known and released. Light flashes, pierces and ignites. Watch Me.

7. I give you Me, memory of only Me. I love you.

8. Scared not, My guts'd one. Thank you.

9. Banner be for My world to see: crucified, dead, and raised, resurrected; resurrection of only Me. Watch Me, behold Me in My Mine as you provoke not but pave

the way. Yea, **bridge being from the known-thought to the unknown reality** of Me, dimensions, framework, axis of only Me. Yea, axis plural. See in Me My hand. Yea, My gyroscapes.

10. Watch Me and enjoy Me as I increasingly, intentionally, delightfully, yea, play with My language that now creates and comes forth voluminously, increasingly unrestricted. Yea, where I flow as I said, moments, minutes, hours; yea, chapters, books, volumes, dialogues of only Me where all that is open is revealed. I am open, I am life, I am light. Nothing is hidden anymore, nothing is behind the veil for all who will receive, who will come, come into Me, come past the veil; yea, the mysteries for mystics no longer; garnered, gathered, and gleaned by only those in darkness and in wee hours not; but yea, flowing forth fully in My vocation, My vocation of being Me in every vocation for all the world, the heaven of hosts, the host of heaven (2), to see.

11. Yea, enjoy Me in My words which now come forth, flowingly in beauty. Yea, in pairs, triads and trinities, through teams and families and communities of believers, believers believing in Me. But I do the work, I have done the works. The works are already done (3). Flowingly now, river be. I love you. I give you My all.

12. Into Me see and prophetic be. Let Me run, let Me race and My race be, a chosen generation; yea, a royal priesthood (4), the priesthood of Me. Thank you.

13. Into every land you go now, preaching, praying, releasing Me to flow in My lighted, lit ones who founts are, founts become, fountains, source of light, Me.

14. I give you Me, the land is, it comes, in your hand now is. All I have said is true.

15. Thou art holy for I am holy. Thou art Me. I am you. We are one.

16. Thank you for one-ingly increasing the one-ship of My body, monocularly.

17. My joy flows toward you, My loved ones; yea, My all, the work of My hands, My craftsmanship; yea, My globalizing, globalized ones who globalizers make. Yea, into universes of Me coming, universes and universities. Thank you.

I give you Me, My creators.

I give you Me, My creators.

Come create with Me.

Come create in My universities now that come forth, that come forth in My university of time not, built on My light, My life, My relationship; yea, one-ship royal. Thank you.

Energy of only Me see, be; the source, the light, the life; healing now in your hand.

My touch heals.

18. Fire, repentance, baptism (5); yea, all of Me. Tongues of Me for My tongue-tied not; yea, but the tongues of My receivers loosed so articulately to flow and found be.

19. Receive Me, receive Me this day, receive My warning, receive My words, receive My blessing, My promise; yea, My reality not of future generations; but yea, reality of now, this moment, this moment reader/hearer, this moment My lover. Yea, My lovers being, becoming more so.

20. You, My Ted, My heart, I love you intimately. All you have asked, more than you have wanted is in your hand. Behold Me the giver, the lover, your creator.

21. Thank you for creating universes of universities of creators now who come and create with Me and each other in holiness and purity, sanctimonious not, sacrilege not. Yea, satisfied with being like Me, their teacher. Satisfied of learning from Me, their teacher. Yea, disciplined disciples who now make haste to obey My every command which, yea, I present so meekly before each one, invitationally, reciprocation offered: My heart, My life; yea, covenant complete.

22. Thank you; I give you this day. I give you friends mighty, plentiful. Yea, select and choose only Me. All that I have is thine, My son in whom I am well pleased this day as you river be and "well pleased" deliver to My who know Me, My who have paid a price in time, effort, energy, relationships; yea, casting all their care upon Me, knowing I provider am, capital "P". Yea, at the table I am, My table extending now; yea, behold Me into every nation; behold Me, every tribe behold Me, every tongue behold Me. Yea, behold Me, seeing Me, receiving Me and My words this day be Me.

23. I love you. All is as stated, there are no reversals, no recants, only forward in Me. Upward, exploration and adventure now for eternity eternally we hold hands and go forth, creating, creating and creating that which you know so little of but have tasted, have tasted with sight, seeing Me, glory be.

24. Yea, **My university comes forth now** at light speed, light being, light receiving; yea light source-ing so many, beaming Me to universes and universities far away from your realm-thought. There is no distance in Me, I transcend all and, yea, all of Me you are.

25. Good day, goodnight, good time. Yea, My good (6) as you revise definitions many: My vocabulary, My definitions, language of Me, the Kingdom of Me, the Kingdom of Heaven here now on the earth, now is in fullness, dimensions not, dimensionally transcendent.

26. Yea, see what I have said and come through all.

I love you; I give you Me.

Good day
